COUNTERFEIT DETTOL DETECTION REPORT

Brand:	Dettol (Reckitt Benckiser India)
Total Listings Found:	20 counterfeit listings
High Risk Listings:	7 (bulk sellers, health hazard)
Scan Date:	May 09, 2026
Health Risk:	CRITICAL - fake antiseptic causes infections

PLATFORMS WHERE COUNTERFEITS WERE FOUND

Meesho

- Multiple bulk seller accounts - Dettol antiseptic liquid fake

IndiaMART

- Wholesale Dettol counterfeit supplier listings

OLX

- Direct consumer sales across India

PRODUCTS BEING COUNTERFEITED

- Dettol antiseptic liquid (most counterfeited)
- Dettol handwash
- Dettol soap bars
- Dettol hand sanitizer

CRITICAL HEALTH RISK

Fake antiseptic with no active chloroxylenol ingredient:

- Causes infections when applied to wounds
- Used for sterilization - zero germ kill
- Life-threatening in surgical or post-injury use
- Impossible for consumer to detect without lab test

RECOMMENDED ACTIONS

[IMMEDIATE]	File takedown on Meesho - health and safety violation
[IMMEDIATE]	Report to IndiaMART abuse portal
[IMMEDIATE]	Alert FSSAI (Food Safety) - fake antiseptic is regulated
[24 HOURS]	File complaint with Cyber Crime - consumer fraud
[ONGOING]	CINEOS daily monitoring for Dettol across all platforms
