How the Partnership Works

Step 1 — CINEOS detects

Digital scan finds BUDDY_HOUSE listing "NIKE AIR JORDAN 1 [COPY]" on IndiaMART. Score: 78/100. Alert sent to Nike brand team.

Step 2 — Brand takes down

Nike legal team uses CINEOS evidence PDF to file IndiaMART IP complaint. Listing removed within 48 hours.

Step 3 — Entrupy verifies remaining stock

Physical products already in market sent to Entrupy device. Microscopic authentication confirms counterfeit. Court evidence.

Step 4 — Complete audit trail

CINEOS digital evidence + Entrupy physical evidence = strongest possible case for criminal prosecution and customs seizure.
