

# Nike Brand Intelligence Report

Counterfeit Seller Intelligence — India · May 10, 2026

## Executive Summary

CINEOS has identified **15 confirmed counterfeit Nike sellers** operating on IndiaMART across **10 Indian cities**. Sellers are listing Nike products explicitly as "First Copy" and "Master Copy" at prices 88-94% below retail, targeting Indian consumers across Manipur, Haryana, Punjab, Maharashtra, Gujarat, UP and Kerala. This report provides company names, cities, prices, GST validation status and risk scores for each seller.

|                   |                 |                    |                  |                    |
|-------------------|-----------------|--------------------|------------------|--------------------|
| 15                | 10              | Rs 450             | 94%              | HIGH               |
| Confirmed Sellers | Cities Affected | Lowest Price Found | Max Below Retail | Average Risk Score |

| Surat          | 1 | MEDIUM |
| Ghaziabad      | 1 | MEDIUM |
| Pathankot      | 1 | MEDIUM |

## Legal Violations

- **Trade Marks Act 1999, Section 29** — Infringement of Nike registered trademarks including Swoosh, Air, Jordan
- **Consumer Protection Act 2019** — Misleading consumers with counterfeit products sold as genuine
- **IPC Section 420** — Cheating consumers by misrepresentation of product quality and origin
- **GST Act** — 2 sellers have GST numbers — conducting fraudulent trade under GST registration

## Recommended Actions

1. File IP complaint against Th Store (Imphal) and BUDDY\_HOUSE (Sirsa) — most explicit listings
2. Report Ajay Enterprises (GST: 09AMOPC5962F1ZT) to GST Council for suspension
3. Send legal notice to Next Wave (Amritsar) — multiple listings with explicit "copy" admission
4. Request IndiaMART to remove all 15 listings under Trade Marks Act Section 29
5. Subscribe to CINEOS weekly intelligence for ongoing monitoring

## Evidence Declaration

All data in this report was collected by automated monitoring of publicly accessible platforms (IndiaMART). No unauthorized access was performed. Evidence collection methodology is covered under US Provisional Patent 64/049,190. This report is admissible under IT Act 2000 Section 65B (Electronic Records).
