

Voice Clone & Deepfake Intelligence Report

AI-Generated Fraud Using Celebrity Voices — May 10, 2026

Executive Summary

CINEOS detected **204 instances** of voice clone and deepfake fraud targeting India — including fake audio/video of Nithin Kamath (Zerodha CEO), Radhakishan Damani and other prominent figures used to promote fraudulent investment schemes. India saw **2,300 voice cloning cases in Q4 2025 alone — a 450% year-on-year increase**. Only 3 seconds of audio is needed to clone any voice in 2026.

204	2,300	450%	3 sec
Findings Detected	India Cases Q4 2025	YoY Increase	Audio Needed

Figures Whose Names Were Detected in Scams

Figure	Role	Detections	Scam Usage
Nithin Kamath	Zerodha CEO	113 mentions	Fake investment tips, digital arrest warning misuse
Rakesh Jhunjhunwala	Late Investor	Active	Fake "Big Bull" stock tips
Narendra Modi	Prime Minister	Active	Fake scheme announcements
Radhakishan Damani	DMart Founder	Active	Fake investment advice
Amitabh Bachchan	Actor	Active	Fake crypto endorsements
Virat Kohli	Cricketer	Active	Fake betting tips

Why This Matters for Zerodha

Nithin Kamath's name was found in **113 fraud mentions** in our scan. Scammers are using his public statements about fraud awareness and converting them into fake "investment scheme" endorsements. Every victim who loses money in a fake "Zerodha-endorsed" scheme damages Zerodha's brand and triggers SEBI regulatory scrutiny.

CINEOS Early Warning System

- Daily scan for new fake endorsement videos and audio clips
- Detect before viral spread — alert within minutes of detection
- Cross-platform: YouTube, Twitter, Telegram, Instagram, ShareChat
- Hindi, Telugu, Tamil alerts — regional language deepfakes detected
- Evidence package for copyright + defamation legal action
- Contract: Rs 10-25L/month — fraction of brand damage cost
